

Hi there!

Your friendly Publix Specialty pharmacist here. We're so excited to welcome you to the family. Just think of us as your treatment experts and cheering squad all rolled into one. Sounds pretty awesome, right? It is, my friend. It is.

This booklet provides an overview for some important information and frequently asked questions. To best ensure your privacy, we've included some forms that you'll need to complete and return to us using the self-addressed envelope also included. These forms let us bill your insurance company.

They also help us provide accurate account statements, assist in processing payments, and resolve your problems and concerns quickly. The sooner we get these, the sooner we can start making your life easier. Now isn't that the best reason to do paperwork? We sure think so!

Give us a call at 855 797 8254, or visit our website at publix.com/specialty, if we can help with anything at all. Consider us your daily dose of oh-so-easy.

Talk to you soon!
Your Publix Specialty Pharmacy team
